

Exercise 26

In the following, round to the indicated place value.

Round to the nearest ten.

(a) 792 (b) 5,647

Solution

Underline the tens place.

792

5,647

Check the number to the right of the underlined place. If it's 5 or greater, then raise the underlined number by 1, and if it's less than 5, then leave the underlined number as it is.

790

5,650
